# The Jerusalem Financing Facility

The Facility provides matching grants to beneficiaries who demonstrate their ability to use the financing in most efficient way to grow and expand their businesses or launch new businesses in Jerusalem.

## Second Phase Achievements (2018 – 2021)

- Since 2018, 54 businesses in Jerusalem have received investment grants valued at 1.7M EUR .
- The matching concept allowed for an additional 1.7M EUR to be injected into those businesses.
- More than 434 jobs were created or sustained through this program.
- The target under the current phase is to provide investment grants for 54– 60 business by the end date of August 2021.

## First Phase Achievements (2014-2017)

- Since inception, 30 businesses in Jerusalem received investment grants valued at EUR 2.0M .
- More than 150 jobs were created or sustained through this program.
